

Dear Parents,

We are really looking forward to another Rooted and Salt weekend away on Friday 14th - Sunday 16th March 2025.

We hope that your young person can join us!

### **Venue**

We are returning to CYE near Chichester harbour, please look at their website to find out about the centre and the accommodation that is on the water!

<https://cye.org.uk/>

Nearer to the weekend away we will confirm departure and return times. To help you plan, we aim to leave Haywards Heath by minibus around 6pm and arrive at the centre by 7.30pm, we are not given an evening meal on the Friday night, so your young person needs to eat before they come. We will return by 3pm on Sunday 16th.

The usual Rooted and Salt leaders will be on the weekend.

### **Plans for the weekend**

We will have Bible teaching and time in small groups to discuss what we hear. We will also have time to sing and pray together.

Included in the cost of the trip, we have a water sport activity on Saturday afternoon.

### **Phones on the weekend away**

We want to make the most of being together and so we will ask the young people to leave their phones/lpads in their rooms during the day and evening. There will be plenty of free time over the weekend to use them and be in contact with you.

At bedtime we will ask the young people to give their phones/lpads in, they will be kept in a safe place until wake up time.

### **Cost**

The cost of the weekend away is £125 per person. This includes minibus travel, food and activities.

We are conscious of continued rising costs of living and a number of families with 2 or more young people who can attend. We would love to have your young person with us and don't want cost to be a barrier.

CYE provides a bursary option on their website, parents/carers need to apply themselves, please make use of it! If you want to apply for the bursary, please complete the online

consent form before the deadline but don't pay yet, it's easier for CYE if you pay the balance to us after your Bursary has been confirmed. Use this link for the Bursary application:  
<https://www.cye.org.uk/bursary-fund/>

## **Booking**

The boat has a limit on how many it can sleep and we are 2 youth groups coming together, so please book early to avoid disappointment.

If your young person would like to join us, please complete the online consent form using the link by Friday 1st November:

<https://cchh.churchsuite.com/forms/nxyuguue>

Please also make payment online also by Friday 1st November to:

Christ Church Haywards Heath  
Reference - RootedWend/name  
Account number - 30116173  
Sort code - 40-11-65

Please do get in contact with Keturah if you have any questions, please pray for us too as we plan, pray for the Bible times and discussions, that we would be encouraged in faith and for friendships to grow,

Thank you

Keturah and Ben
